(C) by striking “Commission’s” and inserting “Association’s”;

(D) by redesignating paragraph (2) as subsection (b); and

(E) by redesignating subparagraphs (A) and (B) as paragraphs (1) and (2), respectively.

Mr. POMBO (during the reading). Mr. Speaker, I ask unanimous consent that the amendment in the nature of a substitute be considered as read and printed in the RECORD.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from California?

Mr. KUCINICH. Mr. Speaker, I reserve the right to object.

What is the amendment about? Can you read it?

The SPEAKER pro tempore. Does the gentleman object to dispensing with the reading?

Mr. KUCINICH. Mr. Speaker, I withdraw my reservation of objection.

The SPEAKER pro tempore. Without objection, the amendment is considered as read.

There was no objection.

Mr. WELLER. Mr. Speaker, I rise today to express my support for H.R. 2099. Among its provisions, H.R. 2099 reauthorizes the Illinois and Michigan (I&M) Canal National Heritage Corridor to receive appropriations and transfers management entity status from the federal, I&M Commission to the non-profit Canal Corridor Association. I would like to commend Chairman Pombo and the House Committee on Resources for their hard work on this important piece of legislation.

The I&M Canal changed the nation in 1848 when it opened the first shipping route between New York and New Orleans, designating Chicago as the nation’s greatest inland port. While the canal eventually fell into disuse due to new transportation methods and routes, in 1982, business and industry leaders founded the Canal Corridor Association to help revitalize the I&M Canal region, and in doing so, created a national model for regional partnership, conservation and renewal. I am proud to say that the I&M Canal National Heritage Corridor was America’s charter National Heritage area, being created by an act of Congress in 1984. For 20 years, the federal I&M Commission has worked to carry out the mission of the I&M Canal National Heritage Corridor. Its efforts have been particularly successful during the past five years that Phyllis Ellin has provided strong leadership as the Executive Director of the Commission.

Since 1984, the I&M Canal National Heritage Corridor has increasingly become an engine of economic growth in communities up and down the length of the Corridor; primarily through an increase in tourism but also in the use of the Corridor for recreational purposes. After consulting with local officials and those most interested and involved in the I&M Canal, it seems that the private sector approach offers more advantages to handle the increased work load brought on by the recent success of the canal and interest in heritage tourism.

As a result, H.R. 2099 designates the Canal Corridor Association (CCA) as the new management entity of the I&M Canal National Heritage Corridor. The CCA seeks to enhance economic vitality by raising awareness of and expanding the parks, trails, landscapes, and historic sites that make the I&M Canal region a special place. They have also successfully implemented education programs and improved the cultural, environmental, historic and tourism resources that the canal offers.

Under the leadership of the CCA, through their governance of the I&M Canal, will continue to successfully educate citizens of the nationally historical importance of the I&M Canal and to play a pivotal role in the continued economic redevelopment of the region.

Once again, I would like to thank Chairman POMBO and the entire Resources committee for making sure this important legislation passes before we adjourn.

Ms. MCKINNEY. Mr. Speaker, I rise today to support a bill that is close to my heart as well as the hearts of many others in the 4th Congressional District of Georgia. That is, H.R. 2099, the Arabia Mountain National Heritage Area Act. It would establish Arabia Mountain as a National Heritage Area, a recognition that is long overdue.

Arabia Mountain, a hidden treasure in its own right, is a place where natural, cultural, historic and recreational resources are intricately woven together to form an interconnected, nationally unique landscape. A true Georgia treasure—and an American one, too. Arabia Mountain spans 4,000 acres and three counties.

Arabia Mountain is part of an area in eastern Metropolitan Atlanta that has been linked to human settlement and activity for thousands of years. This area not only includes the mountain, but also lakes, rivers, quarries, marked trails, and farmland in the surrounding area.

The history of human settlement in this region is intimately connected to its geological resources, starting over 7,000 years ago with the quarrying and trading of soapstone. Not only is this home for deer, beavers, and other animals but a place where everyday people can find peace and get away from the hustle and bustle of urban sprawl and enjoy a piece of America’s true beauty.

Arabia Mountain is home to plants that only can be found on the mountain. Arabia Mountain is truly a national heritage area.

Arabia Mountain is also a place where families can come together to take a hike, be a part of a class, and even enjoy a cookout. We are in the midst of a season that causes us to remember the most important things in our lives—family.

Family, Mr. Speaker, is what Arabia Mountain is about. It is a place where you can watch the sunset with someone you love, photograph unique flora, discover Georgia’s lizards with your child, or blowout her candles at a birthday party. I invite my colleagues on both sides of the aisle to vote yes on H.R. 2099, the Arabia Mountain National Heritage Area Act. Arabia Mountain is, indeed, a genuine American beauty.

Finally, Mr. Speaker, I’d like to take this opportunity to thank Georgia Senators SAXBY CHAMBLISS and JOHNNY ISAKSON for their support; Georgia’s Department of Natural Resources for its valuable input; my colleagues DAVID SCOTT and JIM MARSHALL for cosponsoring this bill; and my staff for preparing this

bill and helping it get to the Floor of the House today. I'd especially like to thank Congressman POMBO, Chairman of the House Resources Committee and his staff and NICK RAHALL, its Ranking Member, and his staff, for their advice and counsel as this bill went through the legislative process in the House.

The amendment in the nature of a substitute was agreed to.

The bill was ordered to be engrossed and read a third time, was read the third time, and passed, and a motion to reconsider was laid on the table.

JUNIOR DUCK STAMP REAUTHORIZATION AMENDMENTS ACT OF 2005

Mr. POMBO. Mr. Speaker, I ask unanimous consent that the Committee on Resources be discharged from further consideration of the bill (H.R. 3179) to reauthorize and amend the Junior Duck Stamp Conservation and Design Program Act of 1994, and ask for its immediate consideration in the House.

The Clerk read the title of the bill.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from California?

Mr. OBEY. Reserving the right to object, Mr. Speaker, for the last 8 hours, we have been dealing with a majority leadership that has stripped out of the appropriations process and out of the conference virtually every major understanding we have had on those bills. We have had the United States Senate ram down our throats an ANWR provision. And then after we were assured in conference that there would be no language with respect to drug company indemnification, 3 hours after the conference report we get 45 pages of language which Senator FRIST and the Speaker of the House demanded be included in the conference report after the conference was specifically told it would not be in there.

Now, I want to know how do we have assurances on any bill brought to this floor under unanimous consent that that same kind of nonsense is not occurring in these instances? I have a responsibility as the ranking member of the Appropriations Committee to try to defend the integrity of this House, and I will use any opportunity I can to point out how the majority leadership in this House is destroying the principle that this is supposed to be the greatest deliberative body in the world.

How long is the bill? Because, Mr. Speaker, I am tempted to demand that every single bill that comes up tonight be read in its entirety.

The SPEAKER pro tempore. The bill is four pages.

Mr. OBEY. I would like to have the bill read.

The SPEAKER pro tempore. Under this unanimous-consent procedure a bill is reported by title only.

Mr. OBEY. Mr. Speaker, I will withdraw that request because I did not inform the gentleman ahead of time, and he just happened to get in the line of

fire on something he should not have been involved in.

Mr. POMBO. Mr. Speaker, will the gentleman yield?

Mr. OBEY. Absolutely.

Mr. POMBO. The bills that we are doing by UC right now are bills that have been before the committee for a long time. The particular bill you are objecting to is a bill that the gentleman from Texas (Mr. ORTIZ) has been working on for years. It is something that means a lot to him. He was sitting right behind you just a minute ago, and I am sure he would be happy to explain it to you. We are not adding anything new into the bill of the gentleman from Texas (Mr. ORTIZ).

Mr. OBEY. I am not objecting to any bill, and I am not suggesting you did. What I am doing is using the only avenue available to me since we are operating under some very strange rules in this House to point out that even if these matters had been cleared on both sides of the aisle, there is really no way for the individual Member to protect himself if the leadership of this House is going to depart from what ought to be the custom in this place of not dictating what goes into conference reports.

Mr. POMBO. If the gentleman will yield, these bills have been worked out. They have been cleared by the gentleman from West Virginia (Mr. RAHALL) and myself. Most of these bills are from your side of the aisle, and they are bills that have been worked on for a number of years. There is nothing in here that has changed. I understand your frustration. It happens every year when we get to the end of the session that stupid stuff happens.

Mr. OBEY. With all due respect, what does not happen is that the leadership does not abuse its power routinely to alter the contents of conference reports. So I know the gentleman didn't, and I have no objection to the gentleman proceeding. But I wanted to use this as an opportunity to point out that the leadership of this House, starting with the Speaker of the House, is abdicating his responsibility to protect the integrity of this institution.

Mr. KUCINICH. Mr. Speaker, I reserve the right to object.

Mr. POMBO. Mr. Speaker, I withdraw my unanimous consent request.

The SPEAKER pro tempore. The request is withdrawn.

Mr. POMBO. Mr. Speaker, I ask unanimous consent that the Committee on Resources be discharged from further consideration of the bill (H.R. 3179) to reauthorize and amend the Junior Duck Stamp Conservation and Design Program Act of 1994, and ask for its immediate consideration in the House.

The Clerk read the title of the bill.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from California?

Mr. MARKEY. Reserving the right to object, Mr. Speaker, this is one of the most preposterous situations that the

House has ever been placed in. Poised to be placed before the House in just a matter of moments is a bill, the Defense appropriations bill, which is in violation of the germaneness rules of the House; it is in violation of any scope that the Defense appropriations bill has ever allowed to be considered in that bill because inside that bill is a provision which will in fact allow for the drilling in the Arctic Wildlife Refuge.

The gentleman from California is the chairman of the committee, the Natural Resources Committee, which has jurisdiction over the Arctic National Wildlife Refuge.

Mr. POMBO. Mr. Speaker, I withdraw my unanimous consent request.

Mr. MARKEY. The gentleman is out here propounding. I would like to continue to be recognized.

The SPEAKER pro tempore. The gentleman will suspend.

The request is withdrawn.
